FOR IMMEDIATE RELEASE:

DocuMatix announces Release of 2014 Credit Union Email Marketing Metrics Study

SALT LAKE CITY (February 23, 2015) - DocuMatix, LLC announced today the release of the 2014 Credit Union Email Metrics Study. The study is an unprecedented collection of statistics that looks at information gathered from over 14,000 email marketing campaigns launched by credit unions across the nation.

Specifically created for the credit union industry, the DocuMatix 2014 Credit Union Email Marketing Metrics Study is broken down not only by type of campaign, but by the size of the credit union. This makes it an ideal tool for helping credit unions measure their success and set marketing goals that result in greater performance.
